Quadzilla!! Monster Quads!!! Saturday, September 14th from 11am-midnight. There will be a designated quads hand for each period that is worth \$1,000. For this promotion, the hand does not need to win the high hand in the room, it just needs to be hit. We will start with quad deuces for the 11am-noon period. If nobody hits quad deuces, it will rollover to \$2,000 for the noon-1pm period, and that designated hand will be quad treys. This promotion will continue to progress each hour (example; deuces, treys, fours, fives, sixes, etc...) Once a hand is hit for that period in either room, the player will win the payout and we will start again in the next time period. For a full set of rules, see the flyer posted in the room.		

Please see Poker Room for full list of rules for each promotion. Management reserves all rights and may change, modify, or cancel any promotions at any time.
