2. High Hand Promotion

- \$300 High Hand every twenty (20) minutes.

3. Designated Team

Prior to each featured game, management will designate one team. The designated team may change each promotional week at management's discretion.

4. Eligible Scoring Plays

Eligible scoring plays include Touchdowns, Field Goals, and Safeties. Official scoring shall govern all determinations, with the assistance of DB/OC surveillance.

5. Extra Point Wheel

If the property's designated team records one or more touchdowns during a scheduled twenty (20) minute High Hand period, the verified High Hand winner for that period will also receive one (1) Extra Point Wheel Spin. If multiple touchdowns take place within the period, the wheel spin will be multiplied by the applicable number of scoring events on the wheel. If no scoring play occurs during that period, no Extra Point Wheel Spin will be awarded.

6. Field Goal Bonus

If the property's designated team records one or more field goals during a scheduled twenty (20) minute High Hand period, the verified High Hand winner's table will receive a "round of drinks" in the form of (1) \$10 Food and Beverage gift card for each active player.

7. Safety Jackpot

If the property's designated team records a safety during a scheduled twenty (20) minute High Hand period, the verified High Hand winner for that period will also receive ten thousand dollars (\$10,000). In the event of multiple safeties in the same period, the bonus prize will remain \$10,000.

8. Eligible Poker Games

Only individuals participating in jackpot eligible games qualify.

9. Multiple Winners

- **Extra Point Wheel:** In the event more than one player qualifies in the same session, each player will spin the wheel and receive a proportionate fraction of the prize based on the total number of tied players. In the event a tie results in an amount that contains change, all amounts will be rounded up to the nearest whole dollar.
- **Field Goal Bonus:** In the event more than one player qualifies in the same session, each player's table will receive a "round of drinks."
